# The Man in the Action

## From Stuntman to Master

Essam Elwareeth's journey began on the front lines. As a stuntman, he performed numerous dangerous and hilarious scenes, building a foundation of practical experience and a deep understanding of on-set action.

# Unmatched Experience

## Scope of Work

With over a thousand projects, the team has contributed to a vast array of movies, television series, and high-impact commercials, showcasing their ability to deliver world-class action.

1,000+

Projects Completed

**Stunt Coordination:** Designing and executing all forms of physical stunts, from fights to falls.

**Special Effects (SFX)** : Creating practical on-set effects, including pyrotechnics, weather, and bullet hits.

**Action Design:** Choreographing and planning complex action sequences from script to screen.

**Vehicular Stunts:** Car chases, crashes, flips, and precision driving for maximum cinematic impact

**Rigging (Wirework):** Flying actors, pulling off superhuman jumps, and ensuring safety with complex wire systems.

**Equipment & Safety:** Providing state-of-the-art safety gear and specialized action equipment.

# Building an Empire

Essam Elwareeth founded the biggest action-making company in Egypt, known as the "Elwareeth Stunt Team." This company serves as a one-stop-shop for all action and special effects needs, setting the industry standard.
